SPRINGFIELD – November 1, 2011. Governor Pat Quinn and the Illinois Department of Insurance announce free, one-on-one counseling services in Hardin to help educate Medicare-eligible individuals and their caregivers about available insurance options. The Department's Senior Health Insurance Program (SHIP) is conducting a series of counseling sessions statewide to assist Medicare-eligible individuals with the Medicare open enrollment season, which runs earlier than past years from October 15th through December 7th.

Governor Quinn proclaimed the week of October 10-15 as SHIP Week to recognize the program's hundreds of volunteers and remind Medicare-eligible residents that open enrollment begins sooner this year. **Pre-registration for appointments is required by calling (618) 576-9567.** SHIP volunteers are also available year-round to answer Medicare questions. For a list of SHIP volunteers in your area, please visit the SHIP website at http://insurance.Illinois.gov/SHIP or call SHIP toll-free at (800) 548-9034.

A counseling session in Hardin is scheduled as follows:
