RE: LiberForex, LTD

WARNING

A company doing business as LiberForex, LTD has been posting on its website a false document purporting to be a certificate issued by the Illinois Department of Insurance. The certificate misrepresents that the Department has certified that LiberForex LTD is licensed for investment in the Forex Market and that a Michael Williams, who the certificate impliedly indicates is affiliated with LiberForex LTD, has a bank guaranty with UniCredit Bulbank. No such certificate has ever been issued by the Illinois Department of Insurance.

Consumers who have relied on the certificate are advised to contact their federal law enforcement authorities.
