II. BACKGROUND

The Company was incorporated as the Dakota Mutual Life Insurance Company under the laws of the state of South Dakota on August 30, 1906 and commenced business on September 4, 1906. On February 26, 1909, a stock company was formed with an authorized capital of \$200,000. The stock company acquired the assets and assumed the liabilities and the name of the mutual company. On January 25, 1915, the name of the company was changed to Dakota Life Insurance Company. On July 1, 1925, the Articles of Incorporation were amended to change the Company's name to Midland National Life Insurance Company (MNL).

On April 8, 1958, control of MNL was acquired by Sammons Enterprises, Inc., a Delaware Corporation. Effective August 12, 1999, Midland National Life Insurance Company changed the state of its corporate domicile from South Dakota to Iowa.

Midland's 2008, 2009 and 2010 Annual Statement Schedules T reflect the following Illinois direct premium:

	Life Insurance	Annuity Considerations	Accident and Health Insurance
2010	\$22,989,069	\$108,026,308	\$6,536
2009	\$16,760,828	\$105,301,988	\$9,146
2008	\$18,334,275	\$118,013,874	\$11,143

III. METHODOLOGY

The Market Conduct Examination places emphasis on evaluating an insurer's system and procedures used in dealing with insureds and claimants.

The Market Conduct Examination did not examine all systems and procedures used in dealing with insureds and claimants. The following categories are the general areas examined:

1. Producer Licensing and Production Analysis
2. Policy Forms and Advertising Material Analysis
3. Claims
4. Consumer and Insurance Department Complaints

The review of these categories is accomplished through examination of producer files, cash surrendered policy files, extended term and reduced paid-up policy files, claim files, Insurance Department complaint files, policy forms and advertising material. Each of these categories is examined for compliance with selected Department regulations and applicable State laws. The Market Conduct Examination did not examine compliance with the Uniform Disposition of Unclaimed Property Act, 765 ILCS 1025/1.

The report concerns itself with improper practices performed with such frequency as to indicate general business practices. Individual criticisms are identified and communicated to the insurer, but not cited in the report if not indicative of a general trend, except to the extent that there were underpayments in claim surveys or undercharges and/or overcharges in underwriting surveys. The following methods were used to obtain the required samples and to assure a methodical selection.

Producer Licensing and Production Analysis

Populations for the producer file reviews were determined by whether or not the producers were licensed by the State of Illinois. New business listings were retrieved from Company records selecting newly solicited insurance applications which reflected Illinois addresses for the applicants.

Policy Forms and Advertising Material Analysis

The Company was requested to provide specimen copies of all policy forms and samples of all advertising material in use during the survey period.

Claims

Claim surveys were selected using the following criteria:

1. Paid Claims - Payment for a coverage made during the examination period.

2. Denied Claims - Denial of benefits for losses not covered by policy provisions.
3. Individual or Franchise Claims - Determine whether the contracts were issued on an individual or franchise basis.

All claims were reviewed for compliance with policy contracts and endorsements, applicable sections of the Illinois Insurance Code (215 ILCS 5/1 *et seq.*) and Illinois Administrative Code (50 Ill. Adm. Code 101 *et seq.*).

All median payment periods were measured from the date necessary proofs of loss were received to the date of payment or denial to the insured or the beneficiary.

The examination period for the claims review was October 1, 2009 through September 30, 2010.

Consumer and Insurance Department Complaints

The Company was requested to provide all files relating to complaints which had been received via the Department of Insurance as well as those received directly by the Company from the insured or his/her representative. A copy of the Company's complaint register was also reviewed.

Median periods were measured from the date of notification of the complaint to the date of response to the Department.

The examination period for complaints was October 1, 2008 through January 4, 2011.

IV. FINDINGS

A. Claims Analysis

1. Paid Individual Life

A review of 54 of the 202 paid individual life claims produced two (2) general criticisms.

One general criticism was written under 50 Illinois Administrative Code for failure to provide the insured or, when applicable, the insured's beneficiary, with a reasonable written explanation for the delay when a claim is delayed beyond 45 days after the claim is initially submitted.

The second general criticism was written under Section 224(1)(1) of the Illinois Insurance Code which provides that "interest shall accrue on the proceeds payable because of the death of the insured, from date of death, at the rate of 9% on the total amount payable or the face amount if payments are to be made in installments until the total payment or first installment is paid, unless payment is made within fifteen (15) days from the date of receipt by the company of due proof of loss. This provision need not appear in the policy, however, the company shall notify the beneficiary at the time of claim of this provision."

In none of the 54 paid and one denied claim files reviewed were claimants provided with this notice. (It should be noted that while no notice was provided at the time of claim, interest was paid at 9% for the claim that was not paid within 15 days of submission of due proof of loss.)

The median for payment was six (6) days.

2. Denied Individual Life

A review of the single denied individual life claim produced one criticism. The general criticism was written under 50 Illinois Administrative Code 919.50(a) (1) for failure to provide the insured's beneficiary with a "Notice of Availability of the Department of Insurance" on a denied claim.

The median for denial could not be established.

3. Approved Waiver of Premium

Three waiver of premium claim files were reviewed. A review of all three (3) approved waivers of premium files produced no criticisms

The median for payment could not be established.

4. Annuity Death Settlements

A review of 55 of the 335 annuity death settlements produced no criticisms.

The median for payment was five (5) days.

B. COMPLAINTS

1. Department of Insurance Complaints

A review of all nine (9) Department of Insurance complaints produced no criticisms.

The median for response to the Department was ten (10) days.

2. Consumer Complaints

A review of all 19 consumer complaints produced no criticisms.

The median for response to the consumer was 38 days.

C. UNDERWRITING

1. Annuity New Business

A review of 120 of the 1465 annuity new business files produced no criticisms.

2. Life Cash Surrenders

A review of 52 of the 108 life cash surrender files produced no criticisms.

The median for processing of life cash surrender files was 19 days.

3. Annuity Cash Surrender

A review of 72 of the 439 annuity cash surrender files produced no criticisms.

The median for processing of the annuity cash surrender was seven (7) days.

4. Extended Term /Reduced Paid Up

A review of all 30 extended term insurance/reduced paid up files produced a general criticism. The general criticism was written under 215 ILCS 5/234.1 for failure to provide a timely notice of all available options to the policy owner. For all of files reviewed, the Company failed to provide notice of all available options prior to enactment.

5. Annuity Replacements

A review of 46 annuity replacement files, out of a total population of 459, produced no criticisms.

6. Life Replacements

A review of all 51 life replacement files produced no criticisms.

7. Declined Life Applications

A review of all 52 declined life applications produced no criticisms.

The median processing time was 35 days.

D. POLICY FORMS AND ADVERTISING

A review of the 109 policy forms and 76 advertising materials produced no criticisms.

E. PRODUCER ANALYSIS

1. Producer Licensing
