Jersey County; pre-registration is required***

SPRINGFIELD – Governor Pat Quinn and the Illinois Department of Insurance announce free, one-on-one counseling services in Jersey County to help educate Medicare-eligible individuals and their caregivers about available insurance options. The Department's Senior Health Insurance Program (SHIP) is conducting a series of counseling sessions statewide to assist Medicare-eligible individuals with the Medicare open enrollment season, which runs from November 15th through December 31st.

Governor Pat Quinn recently proclaimed the week of November 15 through November 19 as SHIP week to recognize the program's volunteers and the nearly 300,000 hours of free counseling provided to Illinois' Medicare beneficiaries.

Pre-registration for appointments is required by calling the Area Agency on Aging for Lincolnland and Jerseyville in Jersey County at (217) 787-9234. SHIP volunteers are also available year-round to answer Medicare questions. For a list of SHIP volunteers in your area please visit the SHIP website at <http://insurance.Illinois.gov/SHIP> or call SHIP toll-free at (800) 548-9034.
