LaSalle County; pre-registration is required***

**SPRINGFIELD** – Governor Pat Quinn and the Illinois Department of Insurance announce free, one-on-one counseling services in LaSalle County to help educate Medicare-eligible individuals and their caregivers about available insurance options. The Department's Senior Health Insurance Program (SHIP) is conducting a series of counseling sessions statewide to assist Medicare-eligible individuals with the Medicare open enrollment season, which runs from November 15th through December 31st.

Governor Pat Quinn recently proclaimed the week of November 15 through November 19 as SHIP week to recognize the program's volunteers and the nearly 300,000 hours of free counseling provided to Illinois' Medicare beneficiaries.

**Pre-registration for appointments is required by calling the Mendota Area Senior Services (MASS) at (815) 539-9673 or (815) 539-7700.** SHIP volunteers are also available year-round to answer Medicare questions.
