

215 ILCS 5/224(1)(h) Table of Values

Sec. 224(1)(h) Table of Values

(h) A table showing in figures the loan values and the options available under the policy each year, upon default in premium payments, during at least the first 20 years of the policy; the policy to contain a provision that the company will furnish upon request an extension of such table beyond the years shown in the policy.
