FIRST NOTICE:

50 Ill. Adm. Code 630, Corporate Governance Annual Disclosure: The proposed new rule will require corporate governance reporting for insurers and provides for the confidential treatment of this information. The NAIC’s Corporate Governance Annual Disclosure Model Act (#305) and Corporate Governance Annual Disclosure Model Regulation (#306) will be accreditation standards effective 1/1/2020.

The rule will not impose additional corporate governance rules, standards or procedures on insurance companies, but requires a new annual filing to be submitted to the Department by each insurance
company that describes the corporate governance structure, policies and practices in use at the company. Regulatory oversight of insurance companies has changed significantly in the past five years with more focus on how a company manages itself, and, in particular, how it identifies, assesses and mitigates risks. The filing will assist regulators in fulfilling their oversight responsibilities.

50 Ill. Adm. Code 1551, Variable Contracts: Part 1551 will be amended to change references to the former National Association of Security Dealers (NASD) to refer instead to the entity’s successor, the Financial Industry Regulatory Authority (FINRA), and its rules. A definition of ‘Annuity 2000 Mortality Table’ will be added to Section 1551.20 and the reference in Section 1551.60 will be revised to reflect that this is now the mortality table in use. Also, 50 Ill. Adm. Code 3117: Licensing and Suitability Requirements for the Solicitation of Variable Contracts, is simultaneously being repealed in its entirety, and several of its provisions are being moved to Section 1551.60.

50 Ill. Adm. Code 2500, General Provisions: The amendments remove language that unnecessarily repeats statutory requirements and consolidates the remaining necessary text from Parts 2505-2525, which are being repealed, into this Part. The amendments also revise and update definitions and outdated references.

50 Ill. Adm. Code 2525, Overpayments, Refunds, Amendments and Penalties (43 Ill. Reg 13618)

These five Parts are being repealed because the majority of the text unnecessarily repeats statutory requirements and some provisions inaccurately describe current Department procedures. The provisions of these Parts that are necessary are being moved into Part 2500.

50 Ill. Adm. Code 2603, Unfair Discrimination Based on Sex, Sexual Orientation, Gender Identity or Marital Status: In June 2019, the Centers for Medicare and Medicaid Services issued a notice of proposed rulemaking to amend federal regulations so as to remove certain protections against gender identity discrimination that previously had been promulgated under Section 1557 of the Patient Protection and Affordable Care Act. See "Nondiscrimination in Health and Health Education Programs or Activities", 84 Fed. Reg. 27846 (proposed Jun. 14, 2019). To ensure that Illinois consumers remain protected against gender identity discrimination relating to their health insurance coverage, the Department has reviewed its applicable regulation on unfair discrimination at 50 Ill. Adm. Code 2603. The following amendments are primarily intended to fill the gaps in those regulatory protections. First, whereas Section 2603.35 currently only applies to group health insurance coverage, these amendments will extend the rule to apply to individual policies, as well. Second, the protections in Section 2603.40 against discrimination in setting premium rates will be amended to apply to gender identity.

Additionally, these amendments delete references in Section 2603.20 to 215 ILCS 5/283 and 296(6) regarding fraternal benefits societies, as those sections of the Illinois Insurance Code have been repealed.
In their place, the Department will reference 215 ILCS 5/314.1, which contains a currently applicable preservation of rights for fraternal benefit societies.
