Honorable Andrew Boron  
Acting Director of Insurance  
Illinois Department of Insurance  
320 West Washington Street  
Springfield, Illinois 62767

**Re: Rating Organization Statutory Data Submission**

Dear Director Boron:

On behalf of the National Council on Compensation Insurance ("NCCI"), I am filing the following information as required under the Illinois Insurance Code:

1. Indemnity and medical paid and paid+case losses for each of the past 10 years, by policy year
2. Medical payments for each of the past 10 years, by policy year
3. Indemnity claim Information including cumulative paid+case losses, by policy year by calendar year of development. This includes losses and frequency of claims in medical only, permanent partial disability, permanent total disability, temporary total disability and fatalities
4. Frequency and severity by injury type
5. Aggregate (indemnity+medical) paid+case losses, and claim count by class of employee

NCCI, a rating organization as defined in Section 459 of the Illinois Insurance Code, is required to submit the enclosed information by September 1, 2012. This filing of NCCI's statements fully satisfies the requirements in 215 ILCS 5/1204 (C-5 a-e) and completes NCCI statutory data submission requirements to the Illinois Insurance Department for 2012.

As the Department reviews the filing, please let me know if you have any questions.

Thank you in advance for your assistance in this matter.

Sincerely,

A handwritten signature in black ink that reads "Terri Robinson". The signature is written in a cursive, flowing style with a small dash above the "i" in Robinson.

Terri Robinson

State Relations Executive

cc: Jim Stephens, Department of Insurance  
John Gatlin, Department of Insurance

## **Rating Organization Data Submission**

As required by the Illinois Insurance Code, Section 1204 (C-5)

September 1, 2012

**Item 1** – Paid and incurred losses for each of the past 10 years.

Exhibit 1 shows policy year losses, as reported to NCCI by insurance carriers, for the last ten years. Paid and paid+case losses are shown separately for indemnity and medical.

**Item 2** – Medical payments and medical charges, if collected, for each of the past 10 years.

Exhibit 1 contains the medical payments for the last ten policy years. Medical charges are not collected.

**Item 3** – The following indemnity payment information: cumulative payments by accident year by calendar year of development. This array will show payments made and frequency of claims in the following categories: medical only, permanent partial disability (PPD), permanent total disability (PTD), temporary total disability (TTD), and fatalities.

Exhibit 2 contains claim counts and cumulative losses by policy year, by calendar year of development. Data is aggregated by policy year, and represents case incurred losses. Data aggregated by accident year, and including just paid losses is not readily available. Indemnity losses are provided by injury type for PPD, PTD, TTD, and fatal claims. There are no indemnity losses for medical only claims.

**Item 4** – Injuries by frequency and severity.

Exhibit 3 shows, for the latest three available policy periods, the frequency of claims and the average cost of claims for each injury type.

**Item 5** – By class of employee.

Exhibit 4 contains data by classification code for the latest available policy period. For each class, the exhibit contains claim counts and total case incurred losses. Claim counts include both lost-time and medical only claims.
